

**HERNANDO COUNTY, FLORIDA BOCC
invites applications for the position of:**

Compost / Recycle Tech II

SALARY:	\$15.09 - \$24.45 Hourly \$31,387.20 - \$50,856.00 Annually
DEPARTMENT:	Utilities Department
DIVISION:	Landfill Operations
OPENING DATE:	09/24/21
CLOSING DATE:	10/22/21 11:59 PM
DESCRIPTION:	

Performs work involving operating loaders, tractors, and other complex compost site equipment. Performs all duties entailed with producing a marketable compost material. Conducts site maintenance.

Provides "frontline customer service" by providing general information regarding Hernando County Solid Waste Management services, products, programs, and activities to the general public, vendors and other County departments.

EXAMPLES OF DUTIES:

- Composting operations including temperature data collection, building windrows, turning windrows, screening material, moving product on-site as necessary, loading customer vehicles and trailers with finished compost and mulch products, and bagging finished compost.
- Operates various site equipment to perform regular daily activities, equipment includes but may not be limited to a loader, tractor, turner, screener, grinder, bobcat, and water truck.
- Perform preventative maintenance and minor repair on the Composting Facility's heavy equipment and specialized equipment and machinery. Routine maintenance includes but may not be limited to checking oil and fluid levels, checking tire pressure, checking belts, greasing loaders, changing, and blowing off equipment filters.
- Maintain the compost work pad to ensure proper flow for stormwater drainage.
- Maintain stormwater control ditches and water retention ponds.
- Maintains access roads leading to and from the Compost Facility.
- Maintain all site signage.
- Provide litter control, including collection of blown litter generated from the landfill. Responsible for overall site cleanliness and upkeep.
- Monitors all incoming materials to ensure they are acceptable.
- Answers customer questions related to Organic Materials Composting Facility policies and products.
- Conduct material inventory.
- Conduct housekeeping on all Compost Facility buildings.
- Identify and report safety concerns to supervision.
- Oral and written communications must be clear and effective.
- Performs other related duties as assigned.

TYPICAL QUALIFICATIONS:

Education	High school diploma or equivalent.
Experience	Two (2) years experience in the operation of heavy equipment. One (1) year experience with dual-axle equipment.
Licenses, Certifications or Registrations	Must possess and maintain a valid Florida CDL, Class A and be insurable by current insurance carrier. Obtain certification as a Solid Waste Spotter. Must possess or be able to obtain within 6 months of employment, certification in NIMS/Incident Command Courses IS100, IS200, IS700, and IS800. Complete all continuing education requirements needed to maintain certification. Must possess or be able to obtain within 18 months of employment, Solid Waste Association of North America Manager of Compost Operations or US Compost Council Certified Compost Operations Manager. This position is subject to the Hepatitis B Vaccine and other vaccines, as necessary.

SUPPLEMENTAL INFORMATION:
