

**HERNANDO COUNTY, FLORIDA BOCC
invites applications for the position of:**

Equipment Operator (Road Maintenance)

SALARY:	\$13.69 - \$22.17 Hourly
DEPARTMENT:	Department of Public Works
DIVISION:	Road Maintenance Division
OPENING DATE:	10/28/21
CLOSING DATE:	03/31/22 11:59 PM
DESCRIPTION:	

Responsible for the safe and efficient operation of light public works maintenance and construction equipment. Performs all tasks associated with operating light equipment, inspects equipment, and conducts minor maintenance of equipment as needed. Operates equipment as part of a public works crew and works in harmony with other trades persons and other pieces of equipment. May be required to perform tasks involving heavy labor as needed.

EXAMPLES OF DUTIES:

The following statements describe the principal functions of this job and its scope of responsibility but shall not be considered an all-inclusive listing of work requirements. Individuals may perform other duties as assigned, including working in other functional areas to cover absences or relief, to equalize peak work periods, or otherwise to balance the workload.

- Operates one or more of light public works maintenance and construction equipment for most of the workday on an assigned basis. Examples of this type of equipment are: Tractors with Mower attachments, Dump Trucks, Rollers, Zero Turn mowers, Water Trucks, Fuel Dispensing Trucks, Vacuum Trucks - front end loaders, skid steer with attachments (sweepers-stump grinders), Grapple Truck, Chippers, and other types of light equipment deemed necessary by immediate supervisor
- Occasionally operates gasoline or other powered machinery such as cement mixers, woodchippers, air compressors, chain saws, and air blowers.
- Washes, cleans, and performs first level maintenance on assigned equipment.
- Performs tasks requiring manual labor such as pothole patching, road shoulder repair, ditch cleaning, tree trimming and removal, and other duties deemed necessary by immediate supervisor
- May be assigned to operate heavy equipment or other specialized equipment on a temporary basis involving emergency situations or for training purposes.
- May perform "on-call" duties at any time of the day or night as required for emergency response.

Regular attendance.

TYPICAL QUALIFICATIONS:

Education	Graduation from an accredited high school or possession of an acceptable equivalency diploma (GED). Minimum of three (3) years directly related experience may be substituted for educational requirements.
Experience	Minimum of three (3) years' experience in the safe operation of light maintenance and construction equipment.
Skills	Ability to operate one or more of light public works maintenance and construction equipment for most of the workday.
Licenses, Certifications or Registrations	Must possess a valid Florida Commercial Class A or B driver's license and be insurable by the current insurance carrier. May be required to obtain a tankers endorsement. May be required to obtain ATSSA Flaggers & Intermediate Work Zone Traffic Control Certification. Must possess or be able to obtain within 90 days of employment, certification in NIMS/Incident Command Courses IS100PWb, IS200, and IS700. This position is subject to random drug and/or alcohol testing when necessary.

SUPPLEMENTAL INFORMATION:

Pay Grade: 208
